Dana Peck
Retired Selectman
Arundel Maine

Dear Dana,

You were recently mentioned at one of the Arundel Economic Development Committee meetings and we all thought it was appropriate to congratulate and thank you for your service over the many years to the town of Arundel.

I know I personally appreciated very much you being at the first EDC meeting to introduce yourself to all of us and let us ask you some questions about what is expected of us and how the process works. Having never volunteered for the town previously and never been on any town committee I had some trepidations of the unknown. Those were quickly dissolved by your demeanor and candor and made me feel much more relaxed about my upcoming meeting. It was very much appreciated that you took the initiative to act as a liaison between the BOS and the EDC as well as the support you have shown the EDC over the last several months.

It is our hope that you continue to be involved in the town, its affairs, and specifically the EDC in some capacity moving forward, and may I be so bold as to suggest you consider joining us as part of the EDC?

In closing; your time, efforts and accomplishments have meant a lot and we all very much appreciate it. Thank you!

Warmest Regards,

Ira J. Camp
