### Minutes of the Meeting

Present:

Arundel Members: Diane Robbins, Tom Danylik, Jon Renell, Jack Turcotte

RSU Members: Maureen King, Matt Fadiman, Frank Drigotas

Staff: Andrew Dolloff

Consultant: Dick Spencer – Drummond Woodsum

The Committee considered the suggestions made at the public hearing, specifically those regarding school choice for Arundel students.

Each group caucused for approximately 20 minutes. Upon reconvening, it was suggested that wording in Section 3, *Right to Continued Enrollment*, be altered to indicate that tuition for Arundel students in RSU schools be designated as “private tuition”, rather than specifying that it be paid by the parents.

No other changes were suggested.

For the Arundel Committee, Jon Renell moved acceptance of the document as edited. Diane Robbins seconded, and it was approved 4-0.

For the RSU Committee, Matt Fadiman moved acceptance of the document as edited. Maureen King seconded, and it was approved 3-0.

The document was printed and signed. Due to a printer error, Andrew Dolloff will attach the signature page to a properly formatted document and will send it electronically to the committee and the Commissioner in the morning. (This was completed by 9:00 a.m. on 9/13/12)

We adjourned at 9:35 p.m.
