Please visit the home page of our website and click on the link to sign up for email notices, meeting agendas and alerts.

**Tuesday
April 30, 2019
ML Day Library
7:00PM**

The Committee will be working with Port City Architects

- To proceed with a full set of construction drawings & specifications.
- Schedule for the project, Town Vote, Construction to begin, occupation of building?
- Who will review drawings? Do we need a sub-committee?
- RFP Development for the Bid & Clerk of the works?
- Any other talking points that need to be discussed.

The public is invited to attend.
