**Tuesday June 25, 2019
ML Day School Library
7:00PM**

The Committee will be meeting to review all the work completed to date by the sub-committee. This will include D.D. Sets of the Building Project along with construction costs information.

This work is being completed in order to put out bid package in August with a final cost number in order to go to a referendum vote seeking approval from the voters in November.

Public is welcome to attend.
