

# UNITED STATES SENATE

ANGUS S. KING JR, SENATOR

Dear Friends,

Since arriving to the U.S. Senate last January, I have been looking for ways to provide Mainers with improved access to federal services through the use of digital technology and on the ground outreach initiatives. Maine is a rural state and I know that traveling to our offices can present both logistical and financial challenges.

To help overcome those obstacles, I launched our signature **Your Government Your Neighborhood** outreach program in June 2013. Every other week members of my staff in Maine travel to different towns – ensuring that all 16 counties are served each month – to hold constituent office hours for local residents.

Over the past eleven months my work in Washington has been largely shaped by the four committees that I serve on: Armed Services, Intelligence, Budget, and Rules. These appointments allow me to engage on issues important to Maine and help craft legislature before it comes to the Senate floor. On the Armed Services Committee I work with my colleagues to honor our obligations to members of our armed forces both past and present, as well as ensure the continued strength, efficiency, and sustainability of our military. On the Intelligence Committee I work to effectively mitigate security threats facing our country while also establishing measures to guarantee that the privacy rights of U.S. citizens are protected. On the Budget Committee, I am working to ensure that nec-

essary spending is tempered with fiscal responsibility, and my position on the Rules Committee allows me to push for procedural reforms that remove institutional inefficiencies and help move the country forward.

I am tremendously grateful for the opportunity to serve you and determined to keep you informed of my activities in Maine and Washington. As always, I welcome any thoughts, questions, or concerns that you may have.
