

Interim Town Manager's Report

To The Citizens of Arundel

It is an adventure. I am having a great positive experience and enjoy working every day.

In February I was lucky enough to be appointed Arundel's Interim Town Manager in the town I live. What an honor. I work with a terrific group of Town Employees and a supportive Board of Selectmen.

My long term career as a Superintendent of Schools and my manager time in Old Orchard allowed life in Arundel to be a little less traumatic. However, it was only with the support of the Arundel Employees that I am able to assist in the management of the Town.

As in all Towns, Arundel has its particular challenges. However, because many citizens are willing to participate, Arundel does very well addressing its Day-to-Day responsibilities. There are many projects and goals facing the Town, and the "To-Do-List" is impressive but there is no doubt Arundel is moving forward in a positive direction.

To the many who have been kind and supportive to me, I want you to know I am grateful. To the new Town Manager, Keith Trefethen, I wish you the best. You are blessed with a great Town to manage.

Thank you for the opportunity to serve the Arundel citizens as your Interim Town Manager.

Respectfully,
Jack Turcotte
