

State Representative's Report

Dear Friends and Neighbors:

I would like to take this opportunity to thank the residents of Arundel for the privilege of serving as your State Representative for the 127th Maine State Legislature. It is a true honor to be your voice at the Capitol and I can assure you I will work diligently on your behalf.

With the Legislature now in session, I am ready to tackle the issues that are of particular concern in our state. The General Fund budget, which covers State spending and taxes, the Highway Fund budget which covers our roads, bridges, and other transportation needs. Also, making sure we don't forget our core industries of tourism, agriculture, fishing and wood products, are high on my list of priorities, along with looking at new opportunities throughout the State.

I am pleased to have been reappointed to the Transportation Committee, as the Republican Lead for the second time. There will be many important issues on our plate, as this important assignment will allow me to review issues dealing with the Department of Transportation, Bureau of Motor Vehicles, Maine Turnpike Authority, Highway Fund, State Police and all transportation policy.

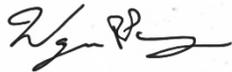

As the first regular session progresses, I encourage you to visit the Legislature's website at <http://maine.gov/legis/> for up-to-date bill status information, public hearing dates, roll call votes on legislation and links to live video and audio broadcasts. Our representative form of government works best when we all get involved.

I plan to send legislative updates via regular mail and e-mail throughout the year to all who would like to stay informed as to current state news. If you wish to receive these updates, please email me at my web address and ask to be added to my update list.
