**Monday, Wednesday & Thursday
September 17th, 19th, 20th, 2018
ML Day School Library
7:00PM**

The Ad-Hoc Building Committee will be having meetings on the referenced dates. The purpose of these meetings will be to hear from the Architects interested in the Municipal Building Project. These Architects will be making a presentation after which some questions will be asked by the Committee through its Chairman Jack Turcotte.

The public is invited to attend.
