BUSINESS MEETING 3-16-20

EXECUTIVE SUMMARY

BOS Members: The purpose of this summary presented is to give you some information over and above just the mentioning of the subject matter on the agenda. It is my hope that this information assists you in your decision making.

MANAGERS REPORT

-Steps on COVID-19: As I had expressed to you late last week RSU#21 has limited the use of their facilities at the end of a school day so they may provide extra cleaning measures at their schools in the hope that these measures will allow the district to continue school. They have however postponed any other use of their facilities including their own after school ends for the day. I am in conversation with the Superintendent to see if we can continue to use the Library every other week for Selectmen-Budget-Planning Board meetings. I will let you know what I discover.

BUSINESS

-Purchase of 2014 Ford Explorer: As was discussed at your Budget Meeting the Fire Chief has discovered that a 2014 Ford Explorer fully equipped with Radios and Lights is being sold by the City of Sanford for \$7,000. This car would be put into service for use by the Fire Chief so he may stop using his own vehicle to respond to emergencies. The Funding would come from the Fire Department Capital Equipment Sweep that has a balance of \$35,000.00.

OTHER BUSINESS AND ADJOURNMENT

-Open at this time for further business
