Tuesday June 19, 2018

7PM MLDay Library

People Present:

Selectmen: Danylik-Labbe-Dubois

Building Committee: Robert Pelletier, Jack Turcotte, Ethan Davis, Richard Fitzmorris, Rob Ingwersen, Joe Simard, Jack Reetz, Ethan Davis, & John Bell

-Meeting called to order by Chairman Jack Turcotte @ 7PM

-Group reviewed the design of the Linear Building developed by Rob after some discussion it was decided that the original design by Steve Dalzell and the re-worked interior flow would be the design of choice at this time.

-It was agreed that the overall size of the building will need some work as the building seems to large at this time. It was agreed to leave the actual trimming of the design to an architect when hired.

-Second Floor development took a lot of time. The contractors of the group felt that the Barn Like structure should contain the office area on the first floor instead of a meeting room. This change would have a reduction in second floor costs as a result of 1st floor walls that would provide support as opposed to open space on the first floor.

-A draft RFP was shared with the group with some suggestions provided. It was agreed that the RFP, its content and approval for advertisement is the responsibility of the Board of Selectmen.

-Next meeting is scheduled for Tuesday July 3, 2018 @ 7PM

-Meeting was adjourned @ 8:28PM
