September 16 & 17, 2019
ML Day School Library
6:00PM**

The Arundel Board of Selectmen and Building Committee will be meeting with three of the General Contractors that submitted bids for the Proposed Arundel Municipal Building Project. The purpose is to ask the General Contractors a series of questions related to their bid and be provided some information related to each company.

PUBLIC IS WELCOME TO ATTEND

Questions for Contractors-Municipal Building Project

- Tell us a little about the history of your company. Why bid on our particular project.

-What similar projects have you worked on to ours (Municipal), were they "green" and what experience do you have with green construction.

- If selected, your management style/process as it relates to
(a) Meetings
(b) Schedule
(c) Change orders

-Curious about the costs of the project as it relates to all aspects of your quote. Are you willing to share with us your costs, if so please be prepared to share, if not why not.

-Please provide a list of Sub-contractors you will be utilizing for this project and share with us your experience with each sub contractor.

-Your experience working with a Clerk of the Works.

-If awarded the work what factors are driving the cost of this project? If you had the opportunity what alternatives would you suggest that would assist the town in savings and still achieve a quality green project.
